ALL FIELDS MUST BE COMPLETED. Applications received after 3 pm est. will not be processed until the following business day. Travel allowed 24/7 for most loads with the exception of mobile homes, superloads, and house moves. The exceptions will be printed on the bottom of the permit. If a bridge analysis is required it may take up to 10 additional business days to process your application. Permits will be processed in the order they are received. Should your company need a temporary KYU a \$40.00 charged will be incurred in addition to the \$60.00 Overweight/Overdimensional permit fee. There will be a \$5.00 processing fee for each credit card transaction.
